Sir:

**REQUEST FOR AN EXPEDITED CERTIFICATE OF CORRECTION FOR AN OFFICE
MISTAKE UNDER 35 U.S.C. 254, 37 C.F.R. 1.322, AND MPEP 1480.01**

There is an error of consequence in the above patent. The front page of the patent carries a typographical error indicating that the assignee is "ACCO Corporation" when in fact the assignee is "AGCO Corporation."

This error is attributable to the Office as the name of the assignee was correctly stated by applicant on the issue fee transmittal form PTOL-85.

Applicant seeks expedited handling of this request under MPEP 1480.01, as this request is accompanied by evidence of the Office's error and a form PTO/SB/44 identifying the error and its exact location.

Exhibit A hereto is a copy of the issue fee transmittal form PTOL-85 submitted by applicant on February 9, 2006. In paragraph 3, subsection (A), the "name of assignee" is indicated as "AGCO Corporation." Thus, the name of the assignee was correctly presented by applicant.

Applicant requests, under 35 U.S.C. 254, that all fees associated with this request and certificate of correction be waived due to the mistake made by the Office. However, any fee which is not waived and is due in connection with this request may be applied against our Deposit Account 19-0522.

Please send any correspondence or certificate of correction to the undersigned. Any questions regarding this request should also be directed to the undersigned.

Respectfully submitted,

HOVEY WILLIAMS LLP
